"Absolutely blown away by these incredible illustrations of our wedding. All captured in a matter of minutes, they are such a unique way of capturing our wedding and are spot on in doing so. The expressions, faces, poses are all spot on and resemble everyone perfectly in this hilarious and stunning style of art."

(Wedding)

"Matthew did over 50 amazing drawings of our special day we couldn't be happier! We received them on a print, digital copies and in a lovely book for us to look back at memories from the day."

(Wedding)

"Oh wow Matthew! This is AMAZING!!! I am so grateful for this incredible gift! I will cherish this piece of art forever! I've truly never had anything like it. Your talent is extraordinary and I feel so lucky to have this from you! I can only imagine how challenging it must have been to create art in such a small and packed space but you absolutely nailed it!"

Unique, quick,
spontaneous, intuitive
and quirky sketches
drawn on the day.

As far as I am aware, no-one else offers such an amazingly creative way to enable the special couple to remember their wonderful occasion alongside their other photos or videos.

*What I draw is for the client.
My sketches are not 'posed for'
caricatures or portraits created as
entertainment for the guests.*

Using an iPad or a sketchbook with pen/ink/watercolour,
I can potentially create around 40 or more unique images
of anything I see:

♥ cake groom
venue flowers ♥ ♥
ceremony food
decorations pets
bride dancing
♥ people ♥
musicians

I may add some extra illustrations if there is something special I feel needs capturing which I don't have time to do on the day.

Everything I draw the couple will get:

- all original sketches
- a framed montage
 - a photo-book
- all images digitally

I work unobtrusively, moving around the venue watching, observing and drawing. I can often be there from mid-morning until midnight.

I generally charge around £500 for the whole day and there is more information on my website:

www.matthewslater.art

This price is inclusive of everything I offer.

This price is also based on a wedding location in the North Herts/Beds/West Cambridgeshire/East Bucks/South Northants area. Travel or accommodation further afield may be extra dependant on location.

I am also available for garden parties, family celebrations or other events.
